

# ATTENTION ALL RESIDENTS

## Township of Admaston/Bromley

Effective - February 1, 2008 - residents of the Township of

Admaston/Bromley are encouraged to drop off their **used HOUSEHOLD**

**BATTERIES** to the MUNICIPAL OFFICE, 477 Stone Road

for proper and safe disposal collection as a constructive alternative to taking these

Hazardous Items to our transfer station/waste sites. This small effort can have a

positive impact on our municipal waste sites and our environment.

*"Help us to help all of us"*
