

Township of Admaston/Bromley

"A Place To Call Home"

Admaston/Bromley is geared for growth as a progressive area with a strong sense of community and family. It is uniquely situated in the heart of the Ottawa Valley, within commuter distance from the City of Ottawa!

Admaston/Bromley is fortunate to have three schools within our boundaries and is within driving distance to colleges and universities. Renfrew Victoria Hospital offers "state-of-the-art" health care and is continually striving to improve the quality of its services and patient care. Our municipality can offer affordable residential prices in comparison to the urban centres. We have low crime rates coupled with a strong agriculture and community spirited environment.

Designated for growth, we can accommodate residential commercial or industrial development. As a business community, we are committed to assisting the entrepreneur.

Our taxes are competitive and Admaston/Bromley has no fees charged for development.

As a place to live and do business we have a lot to offer, including a clean environment, healthy lifestyle and a supportive atmosphere. Indeed, travelers, prospective residents and would-be investors all find that we are extremely "user-friendly." Admaston/Bromley has strong agriculture, rural roots. Our municipality can boast a variety of beautiful lakes and rivers.

Simply put, we want you to have a good, productive and prosperous stay in our community. So whether you are making a weekend visit or a long-term commitment, we are delighted to offer you a first class introduction to our community.

You may well decide to make our community, your community and grow with us.
