

Making connections that count!

ABOUT US

The Renfrew & Area Connection Centre serves as a local community hub with an intent to better assist residents in accessing the various supports and services within Renfrew and the surrounding area. The hub will offer these connections through collaboration with different community agencies and service providers available to residents and strives to make connections in a responsive and time effective manner, in order to meet individual needs. You may access our services by visiting us at our location or contacting us by email or phone.

We look forward to making connections with you!

MISSION

To serve as a single collective voice for the common vision of developing a community-based and community-led hub in Renfrew.

VISION

To create a community-based and community-led hub offering multiple services and programs, including community gathering space, that meet the needs of youth and seniors, families and singles living and/or working in Renfrew and the surrounding area, enabling them to become fully engaged, healthy, socially included, and participating members of the community.
