REPORT

Date: December 14, 2023
To: Planning & Development Committee
From: Jennifer Charkavi
Re: Keeping of Backyard Chickens – Draft By-Law

Background:

The draft Backyard Chicken By-law has been circulated for comments. Comments have been received since our meeting in June and have been incorporated into this final draft.

Discussion:

Backyard Chickens:

Comments received include:

Size of property to allow for chickens

- There are concerns that too small of property will not suit for backyard chickens.

Prohibiting slaughtering on property

- What will be done with the carcasses and will these attract more predators and create more odour
 - o Allow for mobile slaughterhouses

Amount of chickens on property

- It has been suggested that 6 chickens is enough to generate about 3 dozen eggs per week.
 - o Whitewater Region – No person shall keep more than (4) Backyard Chickens at a residential, rural or agricultural zoned property or a property used primarily for residential purposes which does not specifically permit a farm use. (no size of property)
 - o McNab/Braeside – a maximum of 6 chickens are permitted on any residential property, a maximum of 12 chickens are permitted on lots in the rural description that are less than 2 hectares in area. (Admaston/Bromley is all rural with residential use.)

Selling of eggs from property

- In Ontario a person is allowed to sell ungraded eggs from their home for personal use. Otherwise it is covered by provincial legislation.

Fees & Charges:

Staff are recommending the cost for an annual permit be the same as for a Dog License, \$25 per year.

There are 2 versions of the By-law prepared, one with property size restrictions and one with not.

Financial Implications:

There will be costs associated with inspections and by-law contraventions for Backyard Chickens, the annual permit fee will be used to offset these costs.

People Consulted:

Treasurer-Deputy CAO/Clerk

Recommendation:

BE IT RESOLVED THAT Committee receive the draft Backyard Chickens By-law for review;

AND BE IT RESOLVED THAT the Planning & Development Committee amend the draft by-law presented at the December 14, 2023 meeting to their satisfaction;

AND BE IT FURTHER RESOLVED THAT the Planning & Development Committee recommend that the Backyard Chickens By-Law as amended at the December 14, 2023 Committee meeting, be approved by Council;

AND BE IT FURTEHR RESOVLED THAT the Planning & Development Committee recommend to Council to amend the Fees & Charges By-Law to reflect the addition of a charge for an annual permit for Backyard Chickens.
