Ontario Festival of Small Halls

Saturday October 24 @ 7:30pm. Once again DACA will be hosting the Ontario Festival of Small Halls. The Festival of Small Halls is about sharing big music in small, cherished places. It's about settling into the heart of a community, and then experiencing music with heart. Their fall line up has been announced, **tickets are available on-line**. Follow them on Facebook or check out their web page **ontariosmallhalls.com**.

DACA is proud and excited to host the Multi-Juno winner, Canadian fiddler, **Ashley MacIsaac**. Cape Breton is in his DNA. Ashley MacIsaac plays the fiddle with an intensity, authenticity and passion that is hard to deny. He learned his chops at an early age mentored by some of the legendary greats of the area, performing all over the Island in halls, clubs, barns and kitchens. Hi How Are You was released in the mid 90's and the accolades rolled in, the awards, the touring, the interviews and appearances, the persona took shape and the legend took hold. Among his many accomplishments, Ashley has also toured the world with Philip Glass and with The Chieftans. He's been a featured Olympic opening ceremony performer and UCB gave him an honorary Doctorate.

Game Nights at DACA **Starting January 23th then every other Friday**

These events consist of a variety of different games such as Euchre, Trains, or other. Other dates to be determined. Participants could bring baked goods or snacks to share and hot beverages would be supplied. For more info contact Kerry 613-433-4684.

Free Land Severance & Planning Advice for Neighbors

If you want to split off a piece of your property so your children or grandchildren can build a home, navigating the County and the **Township of Greater Madawaska** paperwork can be a major headache.

I am a retired local professional with 40 years of experience dealing with land layout, planning departments, and local applications. I am offering my time and knowledge **completely for free** to help my neighbors get their plans sorted out.

How we can get started:

- **Send Me Your Address:** Give me a call or send me your property address, and I will produce a sketch of your property layout for our discussion.
- **Free Planning Consultation:** We can meet up, look over the sketch, and talk about the best options for your family's land.
- **Full Application Handling:** You don't have to stress about the files. As your authorized agent, I can handle all the paperwork, complete the applications, and deal directly with the officials at the County Planning department and Municipal Township office from start to finish.

Let's make it easy to pass property down to the next generation without the paperwork frustration. If you want an experienced local eye to take care of the details with the township, get in touch today!
